

YOUTH FOR CHANGE

FINAL SHOWCASE

Youth For Change is a dynamic program that empowers young changemakers to develop **critical thinking, project management, and collaboration skills** while creating real social impact.

Through **mentorship, hands-on learning, and a final showcase**, participants turn ideas into action, addressing real-world challenges and **making a lasting difference in their communities!**

In support of:

YOUTH FOR CHANGE

FINAL SHOWCASE

SPOTLIGHT ON OUR CHANGEMAKERS!

Over the past 6 months, **150 passionate youths** embarked on the **Youth For Change** journey—exploring, ideating, and driving meaningful change in their communities. Through dedication, creativity, and resilience, these changemakers tackled real-world challenges, turning ideas into action.

Today, we proudly congratulate and celebrate the **youths who have gone above and beyond**. From environmental sustainability to social inclusion and mental well-being, their initiatives reflect the power of youth-led impact.

Meet the **selected changemakers of the Youth For Change Final Showcase**, each bringing a unique vision and a commitment to creating a better future.
